

Designed to bring a touch of comfort and versatility to the modern workplace.

With their modular design, they can be configured to suit various layouts, providing flexible seating arrangements that adapt to the ever changing needs of a dynamic office environment.

Verge can be used for collaborative brainstorming sessions, solo work with a laptop table, or as a casual breakout area, these soft seating blocks foster a sense of cohesion and well-being, making the office a more inviting and adaptable space for people to connect.
