# Comfort in simplicity.

---

## Vida

Vida is more than just a meeting room staple, its versatility enables integration into a variety of workspaces, from dynamic collaborative zones to private focussed areas. With its sleek adaptable style Vida brings a cohesive and modern aesthetic to the workplace, enhancing the overall look and feel of a space.

Beyond its stylish appearance, Vida is engineered for comfort and ease of use. It's curved form and gentle recline work together to support the users' natural movement.

### **Promoting Agile Collaboration**

Vida supports a relaxed yet productive environment. Its functional design facilitates smooth movement and easy interaction, allowing team members to engage freely and collaborate effectively.

## It's all in the details

### **Flexible Workspaces**

Offices are shifting from fixed workspaces to open, flexible spaces that can be reconfigured based on team needs and project requirements. This includes the use of hot-desking, collaborative zones and quiet focussed areas.
